Entrepreneurs and early-stage company participants get taken advantage of so frequently that we hardly notice. Bad equity deals are the rule, not the exception. The Slicing Pie Handbook outlines a framework for perfectly fair equity splits for early-stage, bootstrapped startup companies. Based on the dynamic equity model popularized by the book Slicing Pie, a formula in use by entrepreneurs all over the world. The Slicing Pie Handbook will help you determine the right share for people who contribute the things you need to start your company including help, equipment, supplies, rent and even credit. You will learn how to fairly allocate equity when people contribute and how to fairly recover equity when people leave the company.
