!Best Practical Business Math Procedures by by By Jeffrey Slater, Sharon Wittry

The Twelfth Edition of Practical Business Math Procedures provides students with an engaging and personalized way to learn, therefore leading to success in the classroom and beyond. Respected authors, Jeffrey Slater and Sharon Wittry, incorporate examples from the Wall Street Journal and Kiplinger throughout the entirety of the text to reinforce real-world application of business math. Every chapter concludes with the Surf to Save exercises, which encourage students to apply the chapter material to their own lives while utilizing the Internet's abundant resources. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.
