B.E.S.T Partners in Crime: The Clintons' Scheme to Monetize the White House for Personal Profit by by By Jerome Corsi

In Partners in Crime, two-time No. 1 New York Times bestselling author Jerome Corsi presents the detailed research and expert testimony proving beyond a shadow of a doubt that the Clinton Foundation is "a vast, criminal conspiracy," also described in these pages as "a slush fund for grifters." Corsi exposes how the Clintons amassed hundreds of millions of dollars in personal net worth, while building a \$2 billion empire in the Clinton Foundation. The victims are countless thousands of honest people who contributed their hard-earned money to what they thought were philanthropic causes. The sordid tale involves suspicion of Enron-like fraudulent accounting practices by none less than PricewaterhouseCoopers, a "Big Four" firm, as well as the several "shell corporations" and "pass-through" bank accounts Bill Clinton has established in secret to hide what amount to kickbacks from Clinton Foundation donors and sponsors. In Partners in Crime, Corsi provides readers the names and addresses of state attorney generals throughout the country, explaining that any one state in the Union can get a temporary restraining order from a state judge to place the Clinton Foundation in receivership and launch law enforcement examinations of Clinton Family philanthropic fraud accomplished on a global scale. It is not enough, Corsi concludes, to appeal to Hillary Clinton to withdraw from the 2016 presidential race in disgrace. A national campaign to "Shut Down the Clinton Foundation" must be launched, Corsi insists, to prevent Barack Obama and other heads of state worldwide from following the Clinton Family crime formula to create their own "charitable foundations" to enrich themselves upon leaving office.
