FROM THE BACKCOVERThe way we manage organizations seems increasingly out of date. Deep inside, we sense that more is possible. We long for soulful workplaces, for authenticity, community, passion, and purpose. In this groundbreaking book, the author shows that every time, in the past, when humanity has shifted to a new stage of consciousness, it has achieved extraordinary breakthroughs in collaboration. A new shift in consciousness is currently underway. Could it help us invent a more soulful and purposeful way to run our businesses and nonprofits, schools and hospitals? A few pioneers have already cracked the code and they show us, in practical detail, how it can be done.
