You want to make legitimate money from home to help your family. Being a virtual assistant is, in my opinion, the EASIEST, fastest, and funnest way to make money online. But if you want to make good money as a VA, you need to know some things...things that people won't readily share with you. That's where I come in. I wrote a book called, "How to Make Real Money as a Virtual Assistant." I want to show you how you can make good money from the comfort of your own home, in your own time, on your own terms for your family. Each chapter of the book is designed to teach you EXACTLY how to get started in the virtual assistant world including: What kind of jobs you can do as a VA Where to find work as a VA How to build your portfolio How to get clients How to set your rates...and so much more! If you've been wondering how to get started working as a VA, this is your golden ticket to entering that world!
