James How to Design TED-Worthy Presentation Slides is a short, practical and step-by-step guide to creating sexy slides. It is based on an extensive analysis of some of the best TED speakers, such as Brene Brown, Daniel Pink, Amy Cuddy, Larry Lessig, Seth Godin, Bill Gates and many, many more. Zettelmayer "Make a greater impact with your presentations. While reading this book I was mentally reviewing my talks where I use PowerPoint slides. I am now changing some of those slides to make a greater impact on the listeners. These tips are easy to implement and make sense." ~ John C. Erdman "As always we can expect the best from Akash and we are getting more." ~ Payam Bahrampoor "This book gives practical advice. However, it does not stop there. It demonstrates how to use that advice, gives visual examples of what to do and what not to do and explains why. It turns creating a presentation from a dreaded event to one allowing creativity to flow and your passion about your subject matter to emerge on the screen through your slides." ~ Pandora Training and Consulting "I will admit to rarely reviewing books. However, this book was such a step above any others I've read on the art of PowerPoint presentations, I had to give it a five star review." ~ David Schwind
