Do you struggle to create engaging conversation? Are you stuck in interview mode? Do your witty comebacks arrive hours too late? Whether you want to (1) charm and befriend strangers and coworkers (2) banter better with friends, or (3) become charismatic and bold instead of nervous and lost in social situations, Conversation Tactics will get you there. How many awkward, sweaty, red-faced encounters would it take for you to learn these tips on your own? Conversation Tactics, Book 3 focuses on the subtle and nuanced tactics that will allow you to command any social situation. I'll shine a light onto the secrets of those that can own a room, always have a witty reply, and are never caught without just the right thing to say. I want this book to arm you with definitive tactics, maneuvers, and replies to whatever comes your way in a conversation. It will be as easy as reading from a script. As with all books in the Conversation Tactics series (all best sellers), this book is the result of years of being a social skills and conversation coach. Conversation can be boiled down to a science if you know how to approach it. You'll get exact words and phrases, not just "be confident and make eye contact". This book is highly actionable, with step-by-step analyses of complex concepts like sarcasm, the ultimate witty comeback, conflict conversations, and storytelling. What will you learn about creating engaging conversations?
