Best Introduction to Information Systems: Supporting and Transforming Business PDF

Best Introduction to Information Systems: Supporting and Transforming Business by by By R. Kelly Rainer, Brad Prince, Casey G. Cegielski

Rainer and Cegielski's new edition of Introduction to Information Systems: Supporting and Transforming Business includes updated coverage, refined cases, more illustrations, and a new "Weekly Updates" resource. Its concise chapters, many cases and examples, and online quizzing provide smooth and straightforward information and provide many hands-on activities. In general, the text is more engaging, compelling and relevant with a broader table of contents, pedagogically innovative structure, integrated activities, Excel and Access projects. The 5th Edition includes a new chapter on ERP, more emphasis placed on business processes and cloud computing, and videos of author lectures for each section of the text.
