\*UPDATED FOR 2015 - THIS IS THE SECOND EDITION!\*"It's not often that I get really, really excited about an eBook and it's even less often that I give an eBook five stars. But I'd give Lisa's eBook six stars out of five. It's that thorough, well-written, and just plain excellent." - Crystal Paine of Money Saving Mom®"The Bootstrap VA: The Go-Getter's Guide to Becoming a Virtual Assistant, Getting and Keeping Clients, and More!" is an organized brain dump of everything Lisa Morosky has learned and experienced (and what she wishes someone had told her) during her time building, growing, downsizing, and repositioning a business as a virtual assistant. The eBook includes chapters on web working, the basics of being a virtual assistant, creating your business plan, setting up your business offline and online, getting clients, working with and keeping clients, how to grow or slow your business, alternative income streams for virtual assistants, time management for virtual assistants, virtual assistant business killers and how to avoid them, and answers to common questions new virtual assistants ask. It also includes interviews with successful virtual assistants, interviews with clients who utilize a virtual assistant, resources at the end of most chapters, a 30-Day Reading Guide and Action Plan, and access to The Bootstrap VA Facebook Group where readers can bounce ideas off of each other and get the support needed no matter where they are in the process of becoming and working as a virtual assistant. If you want to get started as a virtual assistant, you're a go-getter looking to bootstrap your way to success, and you want to create a business that complements your life and your schedule (instead of a job you're a slave to), this is an eBook you can't afford to miss. "The Bootstrap VA", combined with your hard work and determination, is a winning recipe for a thriving virtual assistant business you can be proud of.
