E.B.O.O.K Time Warrior: How to Defeat Procrastination, People-Pleasing, Self-Doubt, Over-Commitment, Broken Promises and Chaos by by Steve Chandler

Time Warrior is a revolutionary, non-linear approach for dealing with time, as bold as it is fresh and new. Forget whatever "guidebooks" you may have read/listened to on time management or personal productivity. Time Warrior is much more than tips and tricks. Steve Chandler has given us an invitation - as well as a challenge - to become something far greater than we are now. To become, in essence, a "style tracker" rather than a "time tracker". Tracking your cognitive style is what makes you a Time Warrior, for only your unique cognitive style can liberate you from the treadmill of linear, limited time. This book takes you on a 101-chapter journey intended to transmute the base metals of ordinary linear time-consciousness into the gold of the Time Warrior's non-linear vision. You will learn to create for yourself a newfound and more powerful cognitive style that will make time tracking, multi-tasking, and other clock-subservient behaviors an unsavory and distant memory. Time Warriors arrange the "chaos" around them by slowing down - way, way down - and then letting go of people-pleasing, approval-seeking, and every shade of mood-based and future-based thinking.
