Ebook The Passive Way to Passive Income: A Guide to Turn Key Real Estate Investment by By Whitney Carpenter

So you want to get into real estate? You've worked hard to build your working career and now you're looking for something beyond your retirement plan? Not necessarily looking to build an entirely new trade to get there? You've come to the right place. In this book, you'll learn that there truly is a hands-free, yes hands-free, investment strategy in real estate. You'll find that you don't have to be loaded with cash to do so either. Investment in turn-key properties is a simple way for the average American citizen to build a sustainable retirement without starting an entire real estate business from the ground up. This means no renovation projects, no landlord nightmares, and no forking over endless amounts of cash because of misguided deadlines and budgets.
