Think you've read every marijuana book you need to start your own medical marijuana business or sell marijuana recreationally? That's what THEY want you to believe. Yet this revolutionary book about how to get licensed to sell marijuana is not just another marijuana business operations guide. It's a collaborative, no BS marijuana-business-in-a-box written together by one of the most sought-after marijuana business consultants (Charles Restivo) and marijuana business owning mastermind (Cory Cervantes) and it's guaranteed to teach you the actual step-by-step methods other experts leave out so you leap frog over the lines of competition, safely and legally, and grab more than your fair share of America's most lucrative and fastest emerging opportunity, "The Green Rush". From the Moment You Crack Open This Book and Bridge Your Knowledge-Gap Between Business Owner and Pot Lover You'll Discover:

- Hidden Pot Profit Streams: Marijuana Selling Strategies the Experts Aren't Sharing and Where the Best Opportunities Lay Today
- The Ultimate Roadmap to Guarantee Maximum Profit from Day 1 to \$1,000,000: Throughout this guide to selling marijuana you'll get first-hand, expert guidance that guarantees your success through every angle of planning, launching, and running your medical marijuana or recreational marijuana dispensary business
- FAST TRACK Secrets to Marijuana Business Licensing: Licenses are limited. Don't Get Stuck at the Back of the Line. Discover How to Get Your Medical Marijuana Dispensary License Fast & Step Over the Most Commonly Overlooked Pitfalls to Success
- Our No-Crackdown Money Making Methods (THE REAL SCOOP): Learn which HIDDEN RED FLAGS to avoid if you want to stay above the law from the man who's Medical Marijuana Book was among the first accepted as a state law library reference!
- Marijuana Business Record Keeping 101: Here's how to keep records for your marijuana business the right way, so you don't suffer the consequences.
- The Ultimate Marijuana Business Plan: Everything you ought to know about how to write a marijuana business plan that gains the momentum and 'yesses' you need to get funded, get approvals, and get your medical marijuana or recreational marijuana facility off the ground.
- All the Graphs, Charts, Blueprints, Roadmaps You'll Ever Need to Succeed (MMJ Business Daily)
- Plus Following the Real Trail to Extra Profit: What's really worth selling? Medical? Or Recreational? Concentrated cannabis, marijuana edibles, marijuana accessories, bongs, or something completely different?

By the time you've soaked up every last step and secret you'll finally possess the confidence to launch the RIGHT marijuana business for you, one you love, that makes you money the fast way. You'll know more than the basics like how to start a marijuana business or medical marijuana dispensary, how to become licensed to sell medical marijuana, how to buy and sell marijuana like the other guys teach. You'll know the fastest, easiest, safest and most legally sound ways to become a marijuana business owning millionaire. And that's a fact. Because you can become a marijuana millionaire. We won't say it's easy. What we will point out is how buyers and our consulting clients say the ethical, and proven methods we teach in this book makes it easier for you than any of your competitors. By following simple step-by-step actions, putting one foot in front of the other, you can make more money in your marijuana business than you ever thought possible. Anyone can. So if you're looking to leap frog over the lines of competition and leverage your entrepreneur skills (or

love for pot) to start a marijuana dispensary that consistently generates profits well into the millions, then this is your next (and last) must-read marijuana business book.
