Want to write the perfect cover letter? But don't have time to read through a 300-page book first? Then "Get It Done" is for you. Here's why it's been a Kindle best-seller for three years in a row: 1) It's fast - The whole book takes about 30 minutes to read. 2) It's to the point - It breaks the cover letter down to 12 parts and walks you through exactly what you need to do at each step. 3) It works - I developed this system while serving as a Recruiter for Teach For America. I've since taught it to MBA classmates at the University of Michigan, leading to job offers from Apple, GE, Microsoft, Amazon, LinkedIn, and other top firms. And the system has even been featured in U.S. News & World Report: <http://money.usnews.com/money/careers/articles/2015/01/21/5-cover-letter-cliches-that-make-employers-cringe> So give it a try today. And if you leave a review, I'll even help you design your own perfect cover letter!
