Do you wish you could know what to expect as your start-up grows and changes? Discover a clear roadmap that shows you exactly how to advance your business. Does your life as an entrepreneur feel too random and unpredictable? Are you struggling to keep up with the constant changes, challenges and decisions? Howard Love has over 35 years of start-up experience, and he shows you the pattern almost all start-up companies share and it's not the one you expect. As the co-founder of over 15 start-ups and an investor for 50 early stage ventures, Love has learned that start-ups actually unfold in a predictable pattern. In his book, The Start-Up J Curve, Love outlines the six stages of start-up growth, explaining how to avoid pitfalls and the specific steps you can take to ensure success. By anticipating the challenges, founders and investors alike can overcome obstacles and ride the curve to the top. In The Start-Up J Curve, you'll discover:
