Were you passed over for a promotion, or do you want to ensure that never happens? Are you sometimes unsure how to fit in and get along? The modern workplace is a stressful pressure cooker and a dangerous maze, and how you fare is determined not by your work - but by politics, your workplace conversation skills, and how to make yourself essential and likable. Workplace Conversation Tactics gives you the tools you need to nab every promotion and become irreplaceable in your office...and above all else, make sure you never get overlooked again. Quickly climb any workplace ladder. Workplace Conversation Tactics takes a deep look into what really allows people to rise like a superstar, and the biggest and most surprising mistakes people make that hold them back and make them prime targets to be overlooked. With this book, you'll be able to decipher what people are really saying in the office and move on up at an unprecedented rate, while making friends and connections along the way. Become the ultimate team player and fit into any company culture. Why listen to me? I'm a social skills and conversation coach and international best-selling author. I work closely with clients to improve their social confidence, social presence, conversation skills, and ability to connect quickly. This book contains all that and more - including how to gracefully defend against several types of coworkers who try to sabotage you at every turn. Diplomatically navigate any delicate situation! How will you learn to win office politics and get ahead? Download this audiobook today!
