"Bookkeeping can absolutely be the difference between bankruptcy and success" says Angie Mohr. "You can't know how your business is doing until you record it." Bookkeeper's Boot Camp is the first book in the Numbers 101 for Small Business series. It shows small business owners the essentials of record keeping, and why it's crucial to a businesses' success to track financial data. The book gives business owners a greater understanding of the purpose and process of record keeping and a deeper understanding of their businesses. Angie has helped hundreds of small business owners who didn't understand the importance of record keeping and always put it off until "later." These business owners were almost literally buried under a pile of papers, overwhelmed by the immensity of the task at hand. Angie shows business owners how to sort through the masses of information and paperwork, record what is important, and how to use that information to grow a business for success!
