R.e.a.d How To Start A Business In 27 Days: A Step-By-Step Guide That Anyone Can Use to Achieve Business Ownership by By Bill Curtis, Bryan Pace

You don't need a business degree to create a successful business. This valuable eBook is loaded with tips, strategies, and best practices you can rely on to start your business right. It contains all the information you need to make your goal of ownership a reality. Whether your dream is to make your mark on the world as the next high tech startup, simply generate a decent income as a "soloprenuer," or create your perfect lifestyle as a successful small business owner, this book will show you how to accomplish that goal, step-by-step. Too many aspiring entrepreneurs get stuck in the idea or planning phase, or they focus on the wrong priorities and spend needless time and energy fixing common startup mistakes. Yes, many new businesses fail, but many of those failures are preventable with the simple and straightforward guidance offered in the pages of this entrepreneurial-minded guide. This book is laid out in a sequential, day-by-day format so you can go from business idea to business launch in as little as 27 days with the confidence to know your business will have the best chance for long term success. An investment of 3 hours per day for 27 days is all you need to achieve your dream of business ownership. Need it done faster? You can start your new business in about 80 hours using our proven, systematized process and the resources outlined in the book. If you don't have the time to dedicate 3 hours every day, you can also take a slower pace and apply these steps over several months to methodically lay the groundwork for your future success as a business owner. Use this book as your guide to plan and launch your new business the right way. Don't waste your time and effort trying to figure out the process on your own. The authors are experienced, long-time business partners, and for them, how to start a business is not just theory. Apply the valuable information in this eBook to maximize the potential for your own success and the success of your new business.
